I enclose an application dated 24-10-1958 from Sri.Patel Rangappa Naik ad others of Gottipura requesting for grant of lands in S.No.50 of Gottipura Minor Forest Hoskote Taluk along with copies of letter No.459 dated 30-12-1958 from the Conservatorof Forests Working Plans and Development circle Bangalore and those of its enclosures for kind perusal. I agree with the Conservator of Forests and recommend to release of 5 acres of land all along the lake margin at one end as a special case to be distributed among the applicants, as the local people are repeatedly urging for this release. The land here gets flooded at high water when tank is full and is therefore not quite suitable for Bursem cultivation.

Orders of Government may kindly be communicated very early as there is continuous representations for the release of this land.

The application may kindly be returned when done with.

In continuation of this office letter No.C.529/58-59 dated 12-12-58, on the above subject, I write to state that 5 acres of land may be released along the lake margin at one end.

Sub:- Grant of lands in S.No.50 of the Minor Forest area to the poor ryots of Gottipura Village, Jadigenahalli Hobli and Jodidasarahalli Village, Hoskote Taluk.

.....

With reference to the above, I am enclosing herewith a copy of letter No. 181/12-12-58 of the Research Range Forest Officer, Harasandra Centre, wherein the Range Forest Officer, has reported that the lands in question cannot be released to the applicants.

I agree with his recommendations.

Ref:- Memo No.S.835/58-59 dated 18-11-58 grant of lands in S.No. 50 of Gottipura Minor Forest.

.....

With reference to the above I write to state as follows:-

1. The applicants signed in the application are mostly people having lands and are cultivating the same.

2. It is the policy of the present Government to provide and grant lands to landless and poor people.

3. There is Gomal land allotted to the Village at Gottipura. This is intended for village communities. Therefore the applicants may approach the

the Revenue authorities for the grant of lands for cultivation and agricultural purposes. In many instances lands have been granted in Gomal lands for deserving needy landless people.

4. Even under growmore food scheme only 2 acres of land is being granted to each family, which will be subsequently made over to him after recovering certain amount. As such grant of minimum of 5 acres to each man is not desirable.

5. A valuable afforestation work of raising Bursear delpechinana is taken up. And for this purpose above Gottipura Minor Forest is selected, wherein good soil, water, and easy approach are found which is condducive for raising such economic plant. The area is valuable as such even if it is put to auction, it will fetch Rs. 1,000/- per acre.

6. Further if the lands are released in this minor forest it will be come trouble some in future for control and management. Every day there will be reports of causing damage to plants or encroachments or such things. This practical difficulty is being felt in several forests where lands are released in the forest.

7. Finally I write to state that in the interest of the forest department the lands in Gottipura Minor Forest should not be released to the applicants and if need be they may be allotted anywhere else.

GENERAL & REVENUE SECRETARIAT
9 SEP 1955
A. & F. BRANCH

I write to state that an extent of 237 acres 12 guntas of gomal - part of S,No. 50 of Gottipura village was constituted as Gottipura Minor Forest in G.O.No. G. 11179-Ft-309-34-2 dated 18/24-6-1935. The area after the resurvey of the entire Minor Forest on 30-6-35 by the Divisional Forest Officer, Working Plans and Forest Surveys, Bangalore is reported to be 262 acres. Encroachments were noticed in the Minor Forest and the result of investigation is as follows:-

1. There is an encroachment of 25 acres 20 gunats on the western side of the minor forest by Sri J.V.Krishnappa, Nodidar Dasarahalli in two bits - one of 18-20 acres and the other 7 acres. It is said that Sri Krishnappa is in possession of 17 acres of the area i.e. one of 10 acres and another of 7 acres as shown at 'A' and 'B' in the sketch- from 2-12-39, from which date he has purchased the Jodi village from the previous jodidar. Subsequently there is a further encroachment to the extent of 8-20 acres as shown at 'A'/1 in the sketch for which no recorded evidences have been produced by him. In blocks 'A' and 'A/1' he has dug up 3 mud wells, installed a motor pump and constructed a small house with brick walls. The wells and the motor pump is estimated to cost about Rs. 2.500/-. Ragi has also been sown in these plots and arrangements made to plant vine. The jodidar had raised a casuarina

plantation in 'B' block of 7 acres, which has been since cut and removed leaving here and there small trees and stump. It may thus be kindly seen that the Jodidar is enjoying the encroached areas for over 12 years. T.T's have also been raised by the Revenue department on the Jodidar, in this behalf.

ii. On the right side of the Minor Forest 13 acres of land were granted by the Deputy Commissioner, Bangalore district to certain Depressed class villagers under darakhast rules and saguvali chits issued on 2-6-33 and 31-7-34, prior to the constitution of the Minor Forest. These areas have been shown as separate survey Nos. 64, 65,66, 67 68 and 70 in block 'D' of the sketch. Why this area was not excluded from the Minor Forest before notifying as such is not made out. According to the recent resurvey the said villagers have encroached an extent of 12 acres - 5 acres abutting the 'D' line and 7 acres with in the minor forest as noted at 'C' and 'D' in the sketch. These villagers are also enjoying the land from a very long time.

2. In view of the fact, that the encroached areas are being enjoyed by the occupants from a very long time, I am of ~~the~~ opinion that it is not desirable to evict them from these areas. I therefore propose that the encroached area of 50-20 acres of the minor forest as shown at 'A', 'A'/1, 'B', 'C', and 'D', in the sketch may be released to the revenue department and sold to the occupants at an upset price to be fixed by the Revenue department. On receipt of orders of Government in the matter further action will be taken to revise the boundary of the above minor forests.

3. Regarding the request of Sri Muniswamappa alias Abbiah and others of Jodi Dasarahalli for grant of land in the above minor Forest- please vide ~~this~~ their petition dated 13-9-54 received with your memo No. A.F. 5655 dated 1-10-54- I invite your kind reference to my letter No. M2 -59-479/51 dated 5-2-54, and would like to state that it is not possible to grant any fresh area from the above minor forest for cultivation.

4. The connected records with the sketch of the minor forest

and the petition of Sri Muniswamappa etc., referred to in para 3 above are herein enclosed for favour of reference and retransmission when no longer required.

Yours faithfully,

The Hon'ble Minister for Agriculture,
Government of Mysore,
BANGALORE.

Most Respected Sir,

We, the undersigned Drivers attached to the Establishments of the Hon'ble Ministers, most humbly and respectfully beg to submit the following few lines to your benign consideration and early favourable orders.

We were given to understand that lands are available in S.No.50, Minor Forest, Gottipura village, Jodiganahalli hobli, Hoskote Taluk and that the same would be released for cultivation to those who are interested in taking up agriculture. We beg to bring to your honour's notice that we have been agitating for grant of lands so as to enable us to supplement our income to maintain our growing families and we have been unable to secure suitable lands. We also wish to mention that we have men and material and ready to take up to agriculture if lands were to be granted to us. We, therefore, pray that your Honoured Self would be pleased to consider our humble request favourably and grant us eight acres of land each at upset price. For this act of great help and generous gesture, we ever remain grateful to you, Sir.

Sub:- Encroachments in Gattipura minor forest - Dasarahally - Hoskote Range.

---

Ref:- Your No. M2.57-425/52 dated 15-5-56 and of even number dated 26-6-1956.

---

With reference to the above I write to state that the Range Officer, Hoskote reports as follows:-

1. STATEMENT FIXING THE RESPONSIBILITY IN RESPECT OF ENCROACHMENTS NOT NOTICED BY THE FOREST DEPARTMENT FOR OVER A PERIOD OF 12 YEARS:-

The following Range Officers were in charge of the Range as per particulars noted against each:-

1. Sri R.K. Ghorpade for 18-12-44 to 31-1-45. Now retired from service.

2. Sri Mohamed Jabir 1-2-45 to 15-4-46. Now working in Plantation Sub Division.

3. Sri R.K. Ghorpade in charge 16-4-46 to 22-4-46 Retired.
4. Sri T. Srikantiah 23-4-46 to 3-11-47 Retired.
5. Sri K. Ranganathan 4-11-47 to 30-11-48. Now working in Hassan Division.

6. Sri D.C. Melvani 1-12-48 to 31-1-49. Retired.
7. Sri C.N. Vijendra Rao 1-2-49 to 9-3-53. Now In-charge of Sandal Koti, Bangalore.

8. Sri M. Gopala Rao. 10-3-53 to 2-3-56. Now Retired.

of the above Sl. No. 1 to 6 held charge of the Range for a short time. Sl. No. 7 and 8 held charge of the Range for a long time and they should have found out the unauthorised cultivation and taken action. So they are responsible.

2. EXTENT OF LANDS THAT THE JODIDAR SRI J.V. KRISHNAPPA OWNS:-

As verifiable from the Revenue records as reported by the Range Forest Officer the Jodidar Sri J.V. Krishnappa owns about 80 acres at Jodi Dasarahalli and 4 acres at Hullur Amanikere. But from documents produced by the jodidar he is reported to be the owner of entire jodi dasarahally village as follows:-

| | Ac.G. |
|---|---|
| Uncultivable. | 64-27 |
| Dry. | 66-21 |
| Wet. | 5-12 |
| Garden | 30-33 |
| Total. | 167-13. |

3. STATEMENT INDICATING THE AMOUNT RECOVERED TOWARDS CESSES OR FINE ETC:-

It is reported that no amount on any account is recovered from the jodidar, since he claimed the encroached area as belonging to him and throughout stated that he has not encroached any forest area and refused to pay either compensation or quit

P.T.O.

quit the area. No action could be taken as the M.F. was not surveyed to find out the encroachments.

This Minor Forest was first surveyed during 1952 and encroachments were found as follows:-

| | Ac. | G. |
|---|---|---|
| 1. By the jodidar Sri J.V. Krishnappa on the western side of the Minor Forest. | 17 | - 00 |
| 2. By the depressed class grantees on the Eastern side of the Minor Forest. | 1 | - 00 |
| Total | 18 | - 00 |

But in the resurvey during 1955 the encroachment were noticed as follows:-

| | | |
|---|---|---|
| 1. By the jodidar. | 25-20 further encroachment ~~of~~ Acres. | 8-20 |
| 2. By the Depressed class grantees. | 12-00. -do- acres. | 11-00 |

(5 acres abutting the D line and 7 acres within the M.F.)

Sri M. Gopala Rao (Since retired) was in charge of the Range during this period (i.e. 10-3-53 to 2-3-56) and no action was taken by him to prevent these further encroachments.

4. WHETHER THE ENCROACHER WAS AT ANY TIME ASKED NOT TO CONTINUE CULTIVATION ON FOREST LANDS EITHER ORALLY OR IN WRITING:-

It is verifiable from the records that the jodidar who claimed the encroached lands as belonging to him and who objected for the cutting of the D line of the Minor Forest at the beginning was first served with a notice by Sri R.K. Ghorpade in No. 429 dated 23-1-40 to get the boundary of his village cut and the jodidar seem to have not taken any action to this. Even for the notice served by Sri C.N.Vijendra Rao, Range Officer in No. 13/52-53 dated 28-4-52 to leave back the area encroached and to pay compensation for the unauthorised cultivation, the jodidar gave statement that he has not encroached upon any forest lands and the land in his possession belong to his jodi village.

Now the matter is under correspondence and not yet finalised.

The Range Forest Officer, Hoskote further reports that there are no further encroachments in this Minor Forest and the parties have been strictly intimated not to encroach further areas.

The records received with your memo of 26-6-56 are herewith resubmitted.

him the grant is confined to garden area plot A, measuring 25 acres and the dry area plot B, measuring 14 acres is excluded. This area contains the wells and pumps and the houses. Government undoubtedly meant to grant the same. The Chief Conservator of Forests in his No.411 dated 22-6-54, has expressed concurrence in this regard.

4. No final action is yet taken by the authorities below on the application filed for grant also of the plot B, to petitioner and the matter is pending long.

In the circumstances the petitioner begs that records be called for, perused and order, clarifying that Plot B containing the wells, pumps and dry cultivation, be also disafforested and granted over to petitioner, be made.

Sir,

SUBJECT: GRANT OF LANDS IN GOTTIPURA MINOR FOREST HOSKOTE RANGE - ENCROACHMENT OF SRI J.V. KRISHNAPPA, JODIDAR AND OTHERS.

Reference:- Your Memo No.AFD 106 DST 58 dt. 19-1-1958.

I write to invite your kind reference to this office letter No.M2-57-425/52 dated 7-9-1955 under which the area under occupation of Shri J.V.Krishnappa and others in Gottipura Minor Forests totalling 50 acres 20 guntas in all has been recommended to be released to the occupants at an upset price to be fixed by the Revenue Department. According to the orders contained in Government letter No.AFD 113 DST 57, dated 29-8-1957 the area on which Shri J.V.Krishnappa has developed a garden is to be granted to him. In his present application Shri J.V. Krishnappa has requested to grant the area where he has dug wells, installed pumps, etc. I have no objection to the grant of the area of 25 acres 20 guntas under Shri J.V.Krishnappa's occupation as already reported under this office letter dated 7-9-1955 referred to above, because he has developed the entire area and has been enjoying its for some years and driving him out of the area would be against the spirit of the Government order.

Yours faithfully,

(K.Kadambi)
